† Parcel post service suspended during winter.

The ordinary (surface) rates of postage apply to all classes of mail conveyed to and from other Post Offices in Canada served by air stage service not included in the foregoing list.

(2) **Damaged Mail Not to be Repaired with Bostitch Staples.**—The practice of using bostitch staples for the repairing of damaged mail seems to be developing throughout the Postal Service. The use of these staples in turn has resulted in damage to postal equipment, to other pieces of mail and to the repaired article itself.

In many instances articles have reached the Dead Letter Offices due to the loss of the original covers as a result of the use of bostitched staples in repairing the original damage.

Damaged mail should be repaired in such a way as to secure the contents against injury or exposure and this cannot be accomplished by substituting bostitch wire staples for the official stickers No. 39 (or 39½) which should be legibly date stamped and initialled by the employee repairing the piece of mail and be initialled by a second employee.

The use of bostitch staples for repairing mail is very unsatisfactory and is to be discontinued immediately.

(3) **Reason for Non-Delivery to be Indicated.**—Before any letter or other article of mail is returned to the sender, the reason for non-delivery must be stamped or plainly written on the address side as well as a legible impression of the office date stamp showing date of return.

At the same time the envelope or cover should be stamped "Returned to" in such a way as to point to the return address of the sender.

Numerous complaints have been made by senders that C.O.D. parcels are being returned to them without the reason for non-delivery being indicated thereon.

(4) **Post Office Boxes.**—Postmasters will please amend Section 45 of the book—GENERAL INFORMATION FOR POSTMASTERS—to read:—

45. **Post Office Boxes.**—Under no circumstances should a Postmaster install post office lock boxes without authority from the District Post Office Inspector, but when there is a public demand for such service, will inform the District Inspector giving full particulars as to the need for such equipment.

Where lock boxes are authorized and supplied, they remain the property of the Government. Such boxes are to be rented only at the rates fixed by the Department, and the rentals collected accounted for in accordance with instructions which will be issued by the District Inspector.

(5) **Similarity in Post Office Names.**—Complaints have been received that mail addressed for Royal Oak, Michigan, U.S.A., is being missent to Royal Oak, B.C.

The Postmaster at Snow Lake, Man., reports that mail addressed to Snowflake, Swan Lake and Shoal Lake, Man., is being received at his office.

The Postmaster at Redwater, Alberta, also reports that a considerable amount of mail addressed to Redwater, Ontario, is being received at his office.

Mail for Redwater, Ontario, a non-post office point, should be forwarded to North Bay, Ontario.

Care should be exercised in the sortation of mail for these places.

(6) **Correspondence Posted by Canadian Army, Navy and Air Force Personnel Serving in the Far East.**—Letters and post cards, not exceeding one ounce in weight, received in Canada without prepayment of postage from personnel of the Canadian Army, Navy and Air Force on active service in the Far East, are to be delivered without collection of postage.

Correspondence entitled to free transmission will bear on the address side, "On Active Service", and on the upper left hand corner or on the back of the envelope, the number, rank, or rating and name of the sender, and name of the unit in which he is serving.

Such correspondence may also be identified by the date stamp of a Field Post Office.

(7) **Air Mail for Canadian Armed Forces on Active Service in the Far East.**—Postmasters and others concerned should, whenever possible, caution mailers to prepay correspondence intended for air conveyance to personnel of the Canadian Armed Forces in the Far East, at the air mail rate of 7 cents for the first ounce and 5 cents for each additional ounce mentioned in the Weekly Bulletin of 28th October, 1950, in order to ensure air transmission.

While ordinary letter mail has been given Airlift wherever possible there is a possibility that increased traffic may overtax the space available for conveyance of mail by air, and full air mail prepayment will make certain that air transmission is given to such correspondence.

(8) **Registered Letter Packets to the United States.**—Information has been received that registered letter packets originating in the United States which have been delivered in Canada, are being returned to that country in the original wrappers or cartons, bearing the original registration number, date stamp, etc. This naturally causes confusion and delay in handling at United States exchange offices.

Mailers should therefore be advised to rewrap such articles before presenting them at post offices for return to the senders in the United States, in order to avoid the difficulty in question, and ensure prompt delivery.

The co-operation of all concerned is requested so that this irregularity may be eliminated.

(9) **Parcel Post Service to the United States.**—The United States postal service reports that frequently difficulty is experienced in connection with parcels from other countries owing to absence of customs declarations or commercial invoices, or both.

Care should, therefore, be taken in order to ensure that when commercial parcels are being accepted for delivery in the United States, the customs declaration is securely affixed to the cover, and the relative invoice is enclosed in the parcel.

(10) **Czechoslovakia—Duty Free Entry of Gift Parcels.**—Gift parcels mailed after 1 January 1951 for delivery in Czechoslovakia will be admitted into that country free of Customs duty subject to the following conditions:—

1. The contents are restricted to—
   (a) non-perishable foodstuffs, clothing, linen, furnishings, utensils and other articles sent as gifts to persons ruined by fire, flood or any other calamity, for their own use in construction or furnishing of their own houses, or cultivating the land.
   (b) Used articles sent as gifts for their own use to persons without means, or for the lawful purposes of charitable institutions. The nature of the articles must be in accordance with the needs of the addressee.
2. The addressee must justify his claim to Customs exemption in connection with gift articles received from abroad.

Mailers should keep in mind that the weight limit of parcels to Czechoslovakia is 20 lb. The value of the contents cannot exceed $25.00 unless the parcel is accompanied by an Export Permit.

(11) **Parcel Post Rates to Czechoslovakia.**—As a result of the revision in the charges which Canada is required to pay for the conveyance of parcels to Czechoslovakia, the rates of postage have been altered and effective the 1st of January 1951 will be as follows:—

**Via England**

Gift parcles may not be insured.

## MONEY ORDER INFORMATION FOR ACCOUNTING OFFICES

### AMENDMENTS TO F.B. DIRECTIVES Nos. 24, 30 AND 31

A suitable form for the purpose of maintaining a daily record of unsold Denominative Money Orders is now available to Postmasters.

The form, M.O. 20 P.M., provides sufficient space for a month's daily recording. An initial supply, not to exceed twelve (12), may be obtained on requisition to your Postal Stores Depot.

All Postmasters are to amend F.B. Directive No. 24 by the addition of a sixth paragraph to read as follows:—

"For the purpose of maintaining the record called for in paragraph 2 (2) form M.O. 20 P.M. is provided."

Postmasters at accounting Post Offices are to amend F.B. Directive No. 30 by adding the following sentences to paragraph 8:—

Denominative Money Orders are always kept in numerical sequence with the lowest serial number on top. A daily notation of the top card in each denomination will be recorded on form M.O. 20 P.M. by writing the last four figures of the serial number in the space provided. (See F.B. Directive No. 24.)

Postmasters at non-accounting Post Offices are to amend F.B. Directive No. 31 by adding the following sentences to paragraph 6:—

Denominative Money Orders are always kept in numerical sequence with the lowest serial number on top. A daily notation of the top card in each denomination will be recorded on form M.O. 20 P.M. by writing the last four figures of the serial number in the space provided. (See F.B. Directive No. 24.)

### REQUISITION FOR DENOMINATIVE MONEY ORDERS AND POSTAL SCRIP (FORM M.O. 51 P.M.)

In F.B. Directive No. 30 paragraph 19, postmasters are instructed to prepare one copy of requisition form M.O. 51 P.M. completing all details in accordance with the instructions contained on the form and forward it to the Postage Stamp Depot.

Postmasters' attention is directed particularly, at this time, to the block reserved for "Total value of Denominative Money Orders and Postal Scrip on hand" and the columns headed "Number of each Denomination on hand".

These columns should be completed in all cases as this information is required by the Postage Stamp Depot in order to maintain control of supplies of Denominative Money Orders and Postal Scrip.

Please, therefore, see that M.O. 51 P.M. is completed correctly before despatch.

### COUNTERFEIT UNITED STATES POSTAL MONEY ORDER FORMS

It has come to the attention of this Department that several thousand counterfeit United States money order forms have been printed beginning with Serial No. 155001 and showing the office of issue as APO 239 Branch, San Francisco, Calif. Postmasters should refuse payment on all orders bearing serial numbers in the group referred to above and take such steps as are necessary to

have the holders of such orders apprehended. The greatest care should be exercised in paying all orders issued at APO's of San Francisco and they should be carefully scrutinized with the view to detecting other counterfeits should they be issued from stations other than APO 239. In order to avoid duplication of serial numbers of counterfeit and genuine orders, the entire stock of money orders printed for use at APO 239, San Francisco, Calif., beginning with serial No. 155001, has been withdrawn and cancelled.

## INFORMATIONS FOR POSTMASTERS

(1) **New Air Stage Service—Nelson-Broadwater, B.C.-C.A.M. 69.**—A new air stage service (C.A.M. 69 in Air Mail Schedules) has been authorized between Nelson and Broadwater, via Syringa Creek, Deer Park and Renata, B.C.

This air stage service, commencing on January 2nd, 1951, will operate on a frequency of two round trips per week.

All classes of mail posted at or addressed for delivery at the above post offices will be subject to the ordinary (surface) rates of postage.

(2) **Winter Air Stage Service Millertown Junction—Northern Peninsula of Newfoundland and Labrador.**—An air stage service has again been authorized for the winter season of 1951 between Millertown Junction, Newfoundland and the Northern Peninsula of Newfoundland and Labrador, from January to April inclusive.

There will be three routes operating out of Millertown Junction, two of which will be on a weekly each way basis and the third, one round trip per month.

Ordinary (surface) rates of postage will apply to all classes of mail carried over this air stage service.

(3) **Mont-Joli—North Shore River St. Lawrence A.S.S.—(C.A.M. 42 in Booklet of Air Mail Schedules).**—The point of departure and arrival of the above air stage service has been changed from Mont-Joli to Rimouski, P.Q., effective January 1st, 1951 and, therefore, this service will be designated in future as the Rimouski-North Shore River St. Lawrence Air Stage Service C.A.M. 42.

(4) **Valuable Jewellery not to be Insured.**—It has been reported that many Postmasters are accepting for insurance, articles of jewellery valued in excess of $5.

The attention of Postmasters is, therefore, directed to Section 148 of the Postal Guide which stipulates that certain articles mentioned therein, including jewellery exceeding $5 in value, cannot be insured.

Before accepting parcels for insurance, Postmasters must make enquiry as to the nature of the contents and the value in order that it may be definitely ascertained whether the parcels are insurable.

In future, it may be necessary to hold Postmasters responsible for accepting for insurance, articles which should not be insured.

(5) **Similarity in Post Office Names.**—The Postmaster at Seton Lake, B.C. reports that mail addressed to Seaton Station, B.C. is being missent to his office.

Mail for Seaton Station, B.C., a non-post office point, should be routed to Prince George and Prince Rupert R.P.O.

Care should be exercised in the sortation of mail for these points.

**(7) Canadian Armed Forces—No Special Delivery Service.**—According to reports received, postmasters at certain offices are accepting correspondence prepaid for Special Delivery Service, addressed to members of the Canadian Armed Forces.

As Special Delivery service cannot be accorded articles for personnel of the armed Forces, except at civilian addresses, it should be explained to mailers that such articles cannot be accepted for transmission.

**(8) Israel-Import Licences.**—With reference to notice No. 2 in the Weekly Bulletin of 11 November 1950, the latest information received is that the addressees of parcels to Israel are required to obtain import licences except in the following cases:

1. Parcels of food for the personal use of the addressee or his family, provided the articles are bona fide gifts.

2. Bona fide gift parcels containing articles other than foodstuffs and postage stamps for the personal use of the addressee, provided the value of the goods in any one consignment does not exceed 40 Israeli Pounds (about $117) and a family does not receive more than one consignment during three months.

3. Parcels containing immigrant's personal and household goods and tools for his own professional use.

4. Personal goods of travellers which are free from Customs duty.

5. Parcels intended for the use of the Government.

Mailers should be reminded that export permits are required if the contents of gift parcels for destinations abroad exceed $25.00 in value, also that the weight limit of parcels to Israel is 20 lb.

**(9) Roumania—Parcel Post.**—The Roumanian Postal Administration reports that parcels received in that country from abroad are not adequately packed to ensure delivery in good condition.

Mailers should, therefore, whenever possible, be cautioned to use substantial containers, strong wrapping material, and heavy cord for parcels intended for delivery in Roumania, in order to withstand handling en route, and thus avoid damage or loss.

**(10) Parcel Post Rates to Japan.**—Postmasters are advised that in future parcels for Japan will be despatched solely via the Direct Service. This route will replace the one via the United States.

## MONEY ORDER INFORMATION FOR ACCOUNTING OFFICES

### FORM M. O. 7 P.M. DISCONTINUED

Form M. O. 7 P.M. has been discontinued and replaced by Form M. O. 8 P.M. Form M. O. 8 P.M. was revised to suit all accounting Post Offices where banks in the locality are required to list paid money orders.

Banks presently using form M. O. 7. P.M. are to be advised of this change by Postmasters. They should stipulate Form M. O. 8 P.M. (revised) in future requisitions for supplies.

### NAME OF PAYEE SHOULD BE ENTERED ON THE REVERSE OF MONEY ORDER RECEIPT, AND THE REMITTER SHOULD RETAIN THE RECEIPT

Enquiries respecting payment or applications for duplicates of Money Orders indicate that in many cases the receipt is not available, or that the remitter did not record the name of the payee.

In such cases, the applicant cannot expect to receive as prompt service as in cases where the complete correct details of a money order are available.

Furthermore it may not be possible to identify a remittance if sufficient particulars are not given.

Postmasters should advise patrons to enter the name of the payee on the reverse of the receipt portion of a Money Order, and to retain the receipt until satisfied that the Money Order has been cashed.

### COUNTERFEIT UNITED STATES POSTAL MONEY ORDER FORMS

Attention is renewed to the notice appearing in Post Office Weekly Bulletin of 9th December, 1950 concerning counterfeit United States money orders printed with the office of issue as APO 239 Branch, San Francisco, Calif. The Department is in receipt of information that the counterfeiters are aware that APO 239 money orders beginning with serial No. 155001 can no longer be cashed and are making pen and ink alterations changing the office number to "82948" and the APO number to 289. Postmasters are again cautioned to exercise the greatest care when paying money orders issued at APO's of San Francisco with the view to apprehending the holders of the spurious orders.

### WRONG OFFICE NUMBER ON UNITED STATES POSTAL MONEY ORDER FORMS

Rio Linda, Calif.—The office number on money order forms furnished this office was printed "82445", whereas the correct number is "82455". Money orders Nos. 109001 to 112800, inclusive, were issued.

Tell City, Ind.—The office number on money order forms furnished this office was printed "34646", whereas the correct number is "35646". Money orders Nos. 520001 to 522000, inclusive, were issued.

Mail prepaid by means of such impressions may be recognized as coming under the provision of Section 4, page 14, of the Canada Official Postal Guide.

Applications for permission to use Model 6V Neopost Postage Meter Machines for the prepayment of mail matter should be forwarded to the Department for consideration in the usual manner.

(4) **Armed Forces Casualty Telegraph Messages.**—Telegraph companies in Canada experience difficulty on occasions in the delivery, to the next-of-kin, of messages relating to casualties affecting members of the Armed Forces owing to insufficient or incorrect addresses or the removal of the addressees to other places.

Notwithstanding anything to the contrary in Section 256, Page 61, Canadian Postal Guide, 1947, Postmasters are hereby authorized and instructed to render every possible assistance in effecting prompt delivery of these messages by furnishing the local telegraph officials—upon request—with information as to the addressee's present or forwarding address.

It is to be distinctly understood that this instruction applies solely to messages dealing with casualties to personnel of the Armed Forces intended for delivery to the next-of-kin.

(5) **Similarity in Post Office Names.**—The postmaster at Altona, Manitoba, reports that a considerable amount of mail is being received at his office intended for Altamont, Manitoba, Altoona, Pa., U.S.A., Alton, Ontario and Ottawa, Ontario.

The District Post Office Inspector, Edmonton, Alberta, reports that a considerable quantity of mail addressed to Josephburg, Alberta, is being forwarded for attempted delivery at Irvine, Alberta.

Mail addressed to Josephburg, Alberta, a non-post office point, should be forwarded to Fort Saskatchewan, Alberta, from which office Josephburg is served.

The District Post Office Inspector at Saskatoon, Sask., reports that mail matter has been received at Prince Albert, Sask., addressed for delivery at Prince Albert, Ontario.

Care should be exercised in the sortation of mail for these offices.

(6).—**Proper Care of Mailable Matter.**—While it is generally recognized that it is unlawful to wilfully keep, secrete, delay, detain, destroy or damage a letter passing through the mails, yet cases of the mistreatment and improper disposal of articles of mail, other than letters, which have come to the attention of the Department recently, indicate that some Postmasters, postal employees and rural mail delivery couriers, do not thoroughly understand their responsibilities as regards the sanctity or inviolability of all articles of mailable matter which may pass through their hands in the course of duty.

Mailable matter includes any letter, packet, parcel, newspaper, book or other thing which may rightfully be sent by post and each piece of mailable matter must be dealt with in accordance with postal regulations.

In some instances postal personnel, however, appear to be under the impression that a newspaper or a piece of third class matter such as a sample, a catalogue or a circular, or a small packet of merchandise such as seeds, cuttings, bulbs or other matter, which for some reason may be undeliverable, is not important enough to be treated with the same care as a letter.

## THIS ATTITUDE IS ENTIRELY WRONG

The theft or wilful destruction of, or damage to, any article of mail which has been entrusted to the Post Office even though it may be an undeliverable circular (Householder or separately addressed) or a sample of any kind or a catalogue, or any other thing, is just as much an indictable offence as to so treat a letter and anyone found guilty of such conduct is liable to punishment under the Criminal Code.

(7) **Letter Bills to Show Routing.**—Owing to the omission of the routing, i.e., flight, train or M.V. service, on the Registered Letter Bill and the lack of such indication on the Ordinary Letter Bill (Form 2G) showing by which routing the dispatch was forwarded to destination, considerable difficulty has been experienced at some of the larger centres in segregating mail on receipt in order to establish whether all dispatches have been received.

This problem becomes acute when a number of dispatches, on which the routing is not specified, are received at approximately the same time and increases the difficulty to the checking clerks of ensuring that all dispatches from a particular flight, train or M.V.S. have been received.

To alleviate this situation, therefore, the attention of all concerned is directed to the necessity of inserting the routing in the appropriate space when filling in the necessary data on the Registered Letter Bills, covering dispatches of registers. This bill, when next up for reprinting, will be amended by adding the words "Via Flt. and M.V.S." to the routing already shown—"Train No....." in the address heading.

As a further aid in eliminating this difficulty, it is suggested that the routing be written at the end of the line showing the address "From" on the Ordinary Letter Bill. This form will also be amended accordingly when next up for re-ordering.

(8) **Republic of Dominica—Importation of Books.**—The Postal Administration of the Republic of Dominica requires that packages of books sent to that country as printed matter be accompanied by green customs label No. 185 properly completed. The form should, of course, be affixed to the address side of the packages.

Mailers of such matter should, whenever possible, be reminded of this requirement of the authorities of the Dominican Republic.

**(9) Rates of Postage from Other Countries to Canada.**—Postmasters are advised that the rates of postage on letters and postcards from the countries indicated below are as follows:—

| Country | 1st Weight | 2nd Weight | Postcards |
|---|---|---|---|
| Grenada | 5 cents | 3 cents | 4 cents |
| Poland | 40 grosz | 25 grosz | 25 grosz |

The above is substituted for the corresponding entries in the list of rates of postage from foreign countries commencing on page 85 of the 1947 (Reprint) Postal Guide.

Surcharges should be collected according to Post Office markings.

**(10) Portuguese Timor.**—Parcel Post—Parcels may now be accepted for despatch to Portuguese Timor via Vancouver and Australia prepaid at the following rates of postage:

| | | | |
|---|---|---|---|
| 1 lb | $1.45 | 6 lb | $2.40 |
| 2 lb | 1.60 | 7 lb | 2.50 |
| 3 lb | 1.70 | 8 lb | 3.10 |
| 4 lb | 2.15 | 9 lb | 3.25 |
| 5 lb | 2.30 | 10 lb | 3.35 |
| | | 11 lb | 3·50 |

Vancouver will be the only Canadian Exchange Office for the despatch of parcel post to Portuguese Timor and all parcels should be forwarded to Vancouver for disposal.

Parcels for Portuguese Timor via Australia may not be insured.

**(11) Mail Service to Places in Jordan-occupied (Arab-Occupied) Palestine and Egyptian-occupied Area of Palestine.—**

Articles acceptable at air parcel post rates include all mail matter (other than letters in their ordinary form) weighing in excess of 8 ounces and up to 5 pounds which are prepaid for air conveyance.

Sealed packages and envelopes containing merchandise weighing over 8 ounces will not be accepted as letters in their ordinary form and may not be mailed for air conveyance unless prepaid at the air parcel post rate.

Packages for air conveyance which weigh 8 ounces or less may be paid at air letter rates. (All air mail letters in their ordinary form must be prepaid at air letter rates).

The limit of weight for an air parcel is 5 pounds.

The length of an air parcel must not exceed 24 inches and in no case must the length and girth combined exceed 50 inches.

Parcels prepaid at air parcel post rates are not to be accepted for registration but may be insured in the regular manner. Air parcel post rates include free insurance on values up to $50.00. Air parcels may also be accepted for C.O.D. service upon payment of the usual C.O.D. fee.

Senders must identify air parcels by affixing air parcel post stickers on at least two opposite faces of the parcels. Supplies of these stickers will be furnished all post offices for use by the public.

Parcels intended for air conveyance are subject to the rates shown on the following schedules.

Attention is directed to the fact that:—

(a) Air packets not exceeding 8 ounces in weight may be paid at air letter rates.

(b) Air parcels weighing over 8 ounces and up to 16 ounces are subject to the one pound air parce post rate.

(c) Air parcels are liable to 4 cents an ounce on the first 8 ounces of excess weight over the even pound or until the next pound rate is reached. Parcels weighing more than 8 ounces and up to 15 ounces over the even pound are subject to the next pound rate.

† Parcel post service suspended during winter.

The ordinary (surface) rates of postage apply to all classes of mail conveyed to and from other Post Offices in Canada served by air stage service not included in the foregoing list.

(9) **Postage Stamps Not to be Overlapped.**—Attention has been invited to the fact that postage stamps are sometimes affixed to mail matter in an overlapping manner.

This practice might easily lead to abuse and Postmasters are requested to exercise all possible care to see that postage stamps are properly affixed. When the stamps are overlapping the items are not to be accepted for mailing.

(10) **Similarity in Post Office Names.**—It has been reported that mail intended for Creston, B.C., is being received at Crescent, B.C., and vice versa. The Postmaster at Gardenview, Alberta, also reports that mail intended for Grand View, Manitoba, and Grandview, Washington, U.S.A., is being received at his office.

Care should be exercised in the sortation of mail for these points.

(11) **Missent Mail.**—The Postmaster at Whitehorse, Yukon Territory, reports that there is a general increase in the amount of mail, both letters and printed matter, being received at his office addressed for delivery to various offices in the Northwest Territories. In several cases, the mail, after having been re-routed is again sent back to Whitehorse.

Care should be exercised in the sortation of mail for this region.

Postmasters are also reminded that mail addressed to Fort Severn, Ont., a non-Post Office point, is to be sent to Churchill, Man., and not to Moosonee, Ont.

(12) **Rates of Postage from other Countries to Canada.**—Postmasters are advised that effective March 1st, the rate of postage on letters and postcards from the country indicated below are as follows:

| Country | 1st weight | 2nd weight | Postcards |
|---|---|---|---|
| Ireland (Republic of) | 3½ pence | 2 pence | 2½ pence |

The above is to be substituted for the corresponding entry in the list of rates of postage from foreign countries commencing on page 85 of the 1947 (Reprint) edition of the Canada Official Postal Guide.

Surcharges should be collected according to Post Office markings.

**(13) Shortpaid Overseas Air Mail.**—A considerable quantity of shortpaid air mail for trans-Pacific destinations is being received daily at Vancouver from points in Eastern Canada. In accordance with the usual procedure these articles are taxed for the collection of double the deficient postage from the addressees as required by international regulations. This shortpaid air mail is then forwarded to destination by the air mail service in the same way as fully prepaid air correspondence.

Thus costly conveyance by air over the long Pacific route is provided these shortpaid articles at the expense of the Canada Post Office, since the postage due on the letters is collected and retained by the postal administration of destination. Therefore, the financial loss to the Department in providing a service for which mailers have not paid in full is important.

It may be that overseas air mail rates are not clearly understood especially as regards trans-Pacific destinations. Prospective mailers should therefore be reminded at every opportunity that the 15c. per ½ oz. rate applies only to Great Britain and European countries, while to Africa, Asia and Oceania air mail postage is 25c. per ½ oz., and Canada Air Letters are 15c. each.

**(14) Germany—Soviet Zone and Soviet Sector of Berlin—Tobacco admitted in Gift Parcels.**—The authorities of the Soviet Zone and the Soviet Sector of Berlin now permit the entry duty free in gift parcels of the following amounts of tobacco for each adult per month: 10 cigars, 25 cigarettes, 3 rolls of chewing tobacco, 1¾ oz. of cigarette tobacco, 1¾ oz. pipe tobacco, 1¾ oz. of snuff and 50 cigarette papers.

Interested mailers should, whenever possible, be informed accordingly.

**(15) Greece—Conditions of Entry of Gift Parcels During the Year 1951.**—Information has been received from the Greek authorities that relief (gift) parcels intended exclusively for the personal use of the addressee and his family will be admitted duty free, containing the following articles:

1. Foodstuffs of all kinds up to a limit of 22 lb. per month.
2. New articles of clothing, manufactured or not, of cotton or artificial silk, up to 6 lb. 9 oz. in weight.
3. Used clothing and footwear not exceeding 22 lb.
4. New footwear—one pair or a proportionate quantity of leather.
5. Articles of orthopaedy.
6. Articles for personal use and pharmaceutical articles on which the duty does not exceed 20,000 drachmas.

Individuals in Greece may also receive the following articles sent as gifts subject to reduced customs duty of 20% of the value:

1. New articles of clothing, manufactured or not (with the exception of articles of natural silk or fur) up to 6 lb. 9 oz. in weight, but not exceeding one woollen suit, or six pieces in the case of other articles of clothing. Not more than two pairs of nylon hose may be included.
2. Bedding and other linen up to a weight of 6 lb. 9 oz. with the exception of articles of natural silk.

Customs free entry is also accorded to:

1. Gift parcels addressed to charitable institutions, containing clothing, footwear or foodstuffs, provided the contents are for distribution free to the inmates of these institutions.
2. Gift parcels containing articles for use in schools by needy pupils.

There may also be sent to Greece portfolios, music cases, various instruments for students, children's games, women's hand bags, hats, including felt hats, and spectacles. Each addressee may receive only one article of these categories.

Mailers should note that the weight limit of parcels sent to Greece is 20 lb.; and that the limit of value is $25.00, unless an export permit accompanies the consignment.

**(16) Parcel Post Insurance Service to the Faroe Islands and Iraq.**—Parcels from Canada for the Faroe Islands and Iraq forwarded via England may now be accepted for Insurance.

## INFORMATION FOR POSTMASTERS

(2) **Air Stage Service, Rimouski, P.Q.—North Shore of the St. Lawrence Discontinued.—The** Winter Air Stage Service, operating between Rimouski and the North Shore of the St. Lawrence River (C.A.M. 42) in Air Mail Schedules, has been discontinued for the present season.

All classes of mail will be conveyed during the season of navigation by surface transport at ordinary rates of postage.

(2) **New Post Office served via Churchill-Baker Lake, A.S.S. (C.A.M. 52).**—A new post office has been established at Baker Lake, N.W.T., to be served by the Churchill-Baker Lake Air Stage Service on a schedule of three round trips per season of closed navigation. The three flights will be performed, one per month, during December, February and April.

The rates of postage applicable to mail conveyed to and from Baker Lake are as follows:

| | |
|---|---|
| First class matter..... | 4c. for the first ounce, 2c. each ounce after. |
| Second class matter..... | When mailed by the public—1c. per four ounces or fraction of four ounces to each separate address. |
| | When mailed from office of publication or from newsdealers to subscribers: 4c. per pound. |
| Third class matter..... | 2c. for the first 2 ounces and 1 c. for each additional 2 ounces or fraction thereof. |
| Parcel Post..... | 15c. per lb. or fraction of a lb. up to and including 10 lb. |
| | $1.80 per parcel over 10 lb. up to and including 15 lb. |
| | $2.40 per parcel over 15 lb. up to and including 20 lb. |
| | $3.00 per parcel over 20 lb. up to and including 25 lb. |

(3) **Summer Mail Service to Yukon.**—Navigation in the Yukon is expected to open about June 1. Surface conveyance of mail in the Yukon will then be resumed and Summer Service Parcel Post rates to the Yukon will be in effect.

Postmasters will please give the above every publicity.

(4) **Cancellation of Postage Stamps.**—The Department has received a number of samples of postage stamps which have been very heavily cancelled or smudged with cancelling ink so that their usefulness from a philatelic standpoint is nil.

While it is most important and essential that Postmasters see that postage stamps on mail are effectually cancelled so as to prevent their reuse, yet this need not be done in such a manner as to mutilate or deface the stamps so as to render them utterly valueless as philatelic specimens.

The Department, of course, desires that the greatest care be taken to see that all postage stamps are cancelled but at the same time if the cancelling machine and hand-dating stamps are kept clean and inked properly, it is much easier to obtain clear impressions and thus eliminate many complaints which are from time to time made by stamp collectors.

(5) **Similarity in Post Office Names.**—Care should be exercised in the sortation of mail for Newtonville, Ontario, and Newington, Ontario; Foxboro, Ontario, Foxboro, Manitoba, Foxboro, Saskatchewan, and Foxboro, Mass., U.S.A.

The attention of Postmasters and Railway Mail Clerks is also directed to the similarity in the names of the following Post Offices:

| | | |
|---|---|---|
| Clearwater, Man. | Clearwater Sanatorium, Man. | Clearwater Station, B.C. |
| Alix, Alta. | Alix, Arkansas, U.S.A. | |
| Compass, Sask. | Canopus, Sask. | |
| Fairy Hill, Sask. | Hairy Hill, Alta. | |

Particular care should be exercised in the sorting of mail for these offices.

**(6) Rates of postage from other countries to Canada.**—Postmasters are advised that the rates of postage on letters and Postcards from the countries listed below are as follows:

| Country | 1st weight | 2nd weight | Postcards |
|---|---|---|---|
| British Guiana | 5 cents | 4 cents | 4 cents |
| Ethiopia | 25 centimes | 15 centimes | 15 centimes |
| France | 18 francs | 12 francs | 12 francs |
| Guadeloupe<br>Martinique | 18 francs | 12 francs | 12 francs |
| Gibralter | 2½ pence | 1 penny | 2 pence |
| Malta | 3 pence | 2½ pence | 2 pence |
| Mauritius | 15 cents | 10 cents | 10 cents |
| Indonesia | 35 cents | 20 cents | 20 cents |
| Netherlands New Guinea | 20 cents | 12½ cents | 12½ cents |
| Nyasaland Protectorate | 2½ pence | 2½ pence | 2 pence |
| Portuguese African Colonies | 2.00 escudos | 1.20 escudos | 1.20 escudos |
| Reunion | 9 francs | 6 francs | 6 francs |
| Rhodesia, Northern | 2 pence | 2 pence | 2 pence |
| Somaliland Protectorate | 2½ annas | 2 annas | 2 annas |
| Tonga (Friendly Islands) | 4 pence | 2½ pence | 2 pence |
| French Guiana | 18 francs | 12 francs | 12 francs |

The above is to be substituted for the corresponding entries in the list of rates of postage from foreign countries, commencing on page 85 of the 1947 (Reprint) edition of the Canada Official Postal Guide.

Surcharges should be collected according to Post Office markings.

**(7) International Postage Rates.**—Effective 2nd April 1951, the postage rates applicable to the classes of mail indicated below, posted in Canada for delivery in other countries, are as follows:

COMMERCIAL PAPERS—2c. for first 2 ounces—1c. each additional 2 ounces or fraction thereof. Minimum Prepayment—5c. covering weight of 8 ounces.

PRINTED MATTER—2c. for the first 2 ounces—1c. each additional 2 ounces or fraction thereof.

SAMPLES—2c. for the first 2 ounces—1c. each additional 2 ounces or fraction thereof.

REGISTRATION—Effective 2nd April 1951, the registration fee applicable to registered matter for delivery in other countries is 20 CENTS.

Postmasters will please amend their Postal Guide accordingly.

**(8) Minimum Prepayment Charge on Parcels for the United States.**—Postmasters are informed that the minimum prepayment charge on parcels for the United States will be as follows:

Parcels up to and including 12 ounces in weight are subject to a minimum charge of 5 cents covering a weight of 4 ounces, plus 1 cent for each ounce in excess of 4 ounces.

This is the same minimum prepayment charge required on parcels mailed in Canada for delivery in Canada.

**(9) Paraguay—Prepayment of Mail.**—As a result of a shortage of postage stamps in Paraguay, prepayment of postage on mail originating in that country will be indicated, as a temporary measure, by the impression of a stamp reading "Franqueo Pagado" ("Postage Paid") on the upper right hand corner of the cover.

Such articles received from Paraguay should, therefore, be delivered to the addressees without additional charge, in the same way as if prepaid with postage stamps.

**(10) India—Prohibitions.**—According to information received from the Postal Administration of India, gold, silver, articles of gold or silver, diamonds and other precious stones, destined to India, or in transit via India, in open or closed mail, to French or Portuguese India, are prohibited importation.

In the circumstances, such articles cannot be accepted for transmission by mail to India or the other destinations concerned.

**(11) Czechoslovakia—Gift Packages of Medicine.**—Medicine, including penicillin, streptomycin and other antibiotics, sent as gifts from other countries for the treatment of persons without means in Czechoslovakia, will be admitted duty free until the end of 1951, provided that the addressee presents to the Customs—

1. A permit from the Czechoslovak health authorities.
2. A certificate that he is without means.
3. A declaration that he is prepared to sell to the health authorities any possible surplus of the medicine.

Interested mailers should, whenever possible, be informed accordingly.

(12) **Netherlands Antilles—Address of Mail to Curacao.**—The Postal Administration of the Netherlands Antilles has requested that, as confusion sometimes arises between Curacao and Caracas, mail for Curacao should be addressed as follows:

Willemstad—Curacao, Netherlands Antilles.

Interested mailers should, whenever possible, be advised accordingly.

(13) **Non-Adhesive Customs Declaration Form 15B and Despatch Note Form 16B.**—Reports have been received from a number of postal administrations, including Argentina, Norway and Syria, of the receipt of parcels from Canada unaccompanied by the necessary forms 15B (Customs Declaration) and 16B (Despatch Note).

Mailers should therefore be reminded, when parcels are accepted for transmission to countries which require these documents that they must be completed and securely attached to the parcels, after folding, by placing them under the tightly fastened cord at one end of the parcel in such a way that half of the forms are on top of the parcel, the other half on the end.

# INFORMATION FOR POSTMASTERS

**(1) Letter Carrier Delivery Service Established at Riviere-du-Loup, P.Q.**—A letter carrier delivery service has been established at Riviere-du-Loup, P.Q. and the name of this post office should be added in alphabetical order to the list in Section 11, Page 15 of the Postal Guide at which points letters and parcels prepaid for special delivery may be delivered by special messenger. (See also Section 123 of the Postal Guide regarding special delivery of parcels).

**(2) Similarity in Post Office Names**—The Postmaster at Hague, Saskatchewan,reports that a considerable amount of mail addressed to Hagen, Saskatchewan, is being received at his office.

Care should be exercised in the sortation of mail to these offices.

Care should also be exercised in the sortation of mail addressed to Robinson, Ontario.

This is a non-post office point served from Sioux Lookout, Ontario, and it is not to be confused with Camp Robinson, Ontario, which is served by A.S. and W.R.P.O. at Red Lake Road, Ontario.

**(3) Rates of postage from other countries to Canada.**—Postmasters are advised that the rates of postage on letters and postcards from the countries indicated below are as follows:—

| Country | 1st Weight | 2nd Weight | Postcards |
|---|---|---|---|
| Saint Lucia | 5 cents | 3 cents | 3 cents |
| Argentina | 20 centavos | 20 centavos | 15 centavos |

The above is to be substituted for the corresponding entry in the list of rates of postage from foreign countries commencing on page 85 of the 1947 (Reprint) edition of the Canada Official Postal Guide.

Surcharges should be collected according to Post Office markings.

**(4) Mexico—Prohibitions**—With reference to the notice in the Weekly Bulletin of 24th January 1948, and previous issues, in regard to the temporay prohibition of entry of certain goods into Mexico, advice has now been received that this regulation of the Mexican authorities is suspended.

It is stated, however, that when the value of the contents of a parcel exceed 400 Mexican pesos ($46.25 U.S.A.) an invoice must be enclosed in the parcel, and a copy sent direct to the addressee, in order that the latter may comply with Mexican Customs requirements.

Interested mailers should be advised accordingly.

**(5) France, Guadeloupe, French Guiana, Martinique and Saar—Privileges extended to Family (Gift) Parcels Cancelled.**—Information has been received from the Postal Administration of France that the former privilege of duty free entry of Family (Gift) Parcels has now been withdrawn. Such articles will, therefore, be subject to the usual customs duty and any other charges normally applicable to goods imported into France and the territories mentioned above.

Provided such gift parcels bear the notation, "Envoi isolé gratuit" (casual gift), the addressees are not required to furnish import permits. This applies only to articles sent without payment by individuals abroad to individuals in France.

Interested mailers should be informed of this change in the French regulations governing the entry of gift parcels.

† Parcel post service suspended during winter.

The ordinary (surface) rates of postage apply to all classes of mail conveyed to and from other Post Offices in Canada served by air stage service not included in the foregoing list.

(6) **Similarity in Post Office Names.**—The Postmaster at St-Camille de Bellechasse, P.Q. reports that a considerable amount of mail addressed for his office is being misdirected to St-Camille, P.Q. in the electoral district of Richmond-Wolfe.

The Postmaster at English Harbour, Trinity Bay, Newfoundland, reports that a considerable amount of mail intended for English Harbour East and English Harbour West, Fortune Bay, Newfoundland, is continually being missent to his office.

The Postmaster at York, Ontario, reports that a considerable amount of mail addressed to York Mills, York, Ontario, York Township, and East York, Ontario, is being missent to his office.

The Postmaster at Shouldice, Alta., reports that a considerable amount of mail is being received at his office addressed for the non-post office district of Shouldice, which is adjacent to Bowness, Alta.

The Postmaster at Clayoquot, B.C. reports that mail is being missent to his office addressed to Kyuquot, B.C.

The Postmaster at McLean, Sask., also reports that mail intended for McLaren, Sask., is frequently missent to his office.

Care should be exercised in the sortation of mail for these points.

(7) **Addressing of Correspondence to Hong Kong, Macao and China**—Information has been received that correspondence for Hong Kong and Macao is being addressed in the following erroneous manner:

Hong Kong, China
Macao, Hong Kong

No mention of China should be made in the address of correspondence for Hong Kong as Hong Kong is a British Crown Colony and forms no part of China.

Macao is a Portuguese Colony and entirely separate from Hong Kong, therefore, Hong Kong should not be included in the address of correspondence for Macao.

It is most important that letters for China bear the complete address in Roman characters (English, French, etc.) and it is advisable to have the details of the address shown also in Chinese characters in order to facilitate delivery. If at all possible the name of the Province should be included in the address of mail for China.

Interested mailers should, whenever possible, be advised accordingly.

## MONEY ORDER INFORMATION FOR ACCOUNTING OFFICES

### MONEY ORDER SERVICE WITH CUBA AND THE PHILIPPINES SUSPENDED IN BOTH DIRECTIONS

As the Money Order service with Cuba and the Philippines has been suspended in both directions, Money Orders are not to be issued for payment in these countries, nor may payment be made in Canada of Orders issued in either country, until further notice.

In the "List of Countries on which Money Orders may be Drawn", in F. B. Directive No. 45 dated September 1950, and also on pages 194 and 195 of the *Canada Official Postal Guide* for 1947, the following changes must be made:

After "Cuba" delete "direct" and substitute "suspended".

After "Philippines" delete "direct" and substitute "suspended".

In F. B. Directive No. 47 dated the 7th October 1950, table 1, page 4, delete "Cuba" and "Philippine Islands".

In Money Order Rate Circular and table showing premium to be collected, "Cuba" and "Philippines" must be deleted.

### NOTCHED CARD MONEY ORDER FORMS RECOVERED

Notched Card Money Order Forms Nos. 16,331,351 to 16,331,500, inclusive, published in the Post Office Weekly Bulletin of the 14th April, 1951, and in the Monthly Supplement to the Canada Official Postal Guide for May, 1951, as having been lost, have now been recovered.

Postmasters will please amend their records accordingly.

### COUNTERFEIT UNITED STATES POSTAL MONEY ORDER FORMS

It has been reported that counterfeit money order forms showing the office of issue as APO 407, Unit 4, New York, N.Y., have been presented for payment in Munich, Germany. The numbers of the counterfeit orders are unknown. However, report has been received that the issue of money orders at the above mentioned APO was suspended on May 9, 1951, and that the last number issued before suspension was No. 14498. Therefore, postmasters should refuse payment of all orders bearing serial numbers after No. 14498 for APO 407, Unit 4, and take such steps as are necessary to have the holders of such orders apprehended.

The records of paid orders should be searched to ascertain whether any money orders for APO 407, Unit 4, New York, N.Y., bearing the numbers before No. 14498, have been paid.

Notice has just been received of the theft of blank United States domestic money order Forms Nos. 1108 to 1200, inclusive, from the Post Office at Gulkana, Alaska, on or about November 10, 1949.

As several of the stolen orders bearing issuing dates of March 1951 have been paid in California, Nevada, and Seattle, Wash., it is requested that Postmasters search their records of paid orders, and if any of the missing numbers are found, to report that fact to their District Post Office Inspector.

## INFORMATION FOR POSTMASTERS

(1) **Changes in Postal Rates on Newspapers and Periodicals.**—Under the recent revision of the Post Office Act, there have been a number of changes in the rates of postage applicable to second class matter (newspapers and periodicals). Postmasters are requested to amend their copies of the Canada Official Postal Guide (Part 1) as follows:

Section 39. The following is to be substituted for this Section;

"The rates on newspapers and periodicals printed and published in Canada and issued not less frequently than once a month, mailed by the publishers in the post office at the place where they are published and addressed to regular subscribers or to newsdealers (not resident in the place of publication) in Canada, Great Britain and places within the Commonwealth, are as follows:

(a) daily newspapers with a circulation of 10,000 copies or more per issue—2½c per pound on the reading portion and 4c per pound on the advertising portion,
(b) daily newspapers with a circulation of less than 10,000 copies per issue—2½c per pound,
(c) tri-weekly and semi-weekly publications with a circulation of 10,000 or more copies per issue—3c per pound,
(d) tri-weekly and semi-weekly publications with a circulation of less than 10,000 copies per issue—2c per pound,
(e) weekly publications with a circulation of 50,000 or more copies per issue—3c per pound,
(f) weekly publications with a circulation of 10,000 or more copies per issue but less than 50,000 copies per issue—2½c per pound,
(g) weekly publications with a circulation of less than 10,000 copies per issue—1½c per pound,
(h) semi-monthly and monthly publications with a circulation of 10,000 or more copies per issue—1½c per pound,
(i) semi-monthly and monthly publications with a circulation of less than 10,000 copies per issue—1½c per pound,
(j) publications devoted to religion, the sciences and agriculture which are published at least once a month (regardless of circulation)—1½c per pound."

Section 40. The first paragraph remains unchanged. The following is to be substituted for the second paragraph of this Section;

"In the case of newspapers and periodicals published in places where letter carrier delivery is established, copies addressed to local subscribers and newsdealers within the area of letter carrier delivery must be prepaid at the ordinary transient newspaper rate—1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address."

Section 41. This Section is to be amended by substituting the words "rate of 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces" for the words "rate of 1c for each 4 ounces or fraction thereof" in the first paragraph.

Section 42. The following is to be substituted for the first paragraph of this Section;

"Copies of authorized daily papers may be mailed by the publisher in the post office of the place where they are published, addressed to regular bona fide subscribers and newsdealers in the United States, Mexico, Central and South America upon prepayment of postage in cash at the following rates:

(a) daily newspapers with a circulation of 10,000 copies or more per issue—2½c per pound on the reading portion, and 4c per pound on the advertising portion,

(b) daily newspapers with a circulation of less than 10,000 copies per issue—2½c per pound."

Section 48. In the second paragraph, the words "rate of 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces or fraction of 4 ounces, to each separate address with a minimum prepayment of 2c" are to be substituted for the words "rate of 1c per 4 ounces or fraction thereof with a minimum prepayment of 2c."

Section 54. The words "rate of 4c per pound bulk weight" are to be substituted for the words "rate of 2c per pound bulk weight" in the first sentence of this Section.

The words "postage at 8c per pound" are to be substituted for the words "postage at 4c per pound" in the second sentence of this Section.

The words "bulk rate of 4c per pound" are to be substituted for the words "bulk rate of 2c per pound" in the last sentence of this Section.

Section 56. The following is to be substituted for this Section;

"Unsold copies of newspapers and periodical publications returned by newsdealers to the publishers are liable to the rate of 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address."

Section 63. The following is to be substituted for the first sentence of this Section;

"Specimen or sample copies of newspapers or periodicals from the office of publication are liable to a rate of 4c per pound, or fraction thereof."

Section 66. The following is to be substituted for this Section;

"Copies of newspapers mailed to addresses furnished by advertisers, or to persons whose subscriptions have been paid in whole or in part by interested parties, or marked copies, cannot be considered as addressed to subscribers, or as specimen copies, but are liable as transient newspapers to postage at the rate of 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address. Copies of each issue of a newspaper sent to advertisers whose advertisements appear in that issue (one copy to each advertiser) as proof of the insertion of the advertisement will, however, be accepted for transmission at the rate of postage applicable to copies intended for bona fide subscribers, when addressed to places to which that rate applies."

Section 69. The second sentence is to be amended by substituting the words "rate of 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address" for the words "rate of 1c for each 4 ounces or fraction thereof."

Section 70. The first paragraph is to be amended by substituting the words "the rate is 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address" for the words "the rate is 1c per 4 ounces or fraction thereof to each separate address."

Section 77. The words "(prepaid at the rate of 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address)" are to be substituted for the words "(prepaid at the rate of 1c per 4 ounces)."

Section 373. The words "4c per pound rate" are to be substituted for the words "2c per pound rate" in the second sentence of this Section.

The words "1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address" are to be substituted for the words "1c per 4 ounces" in the last sentence of this Section.

Section 385. The following should be substituted for the footnote to this Section;

"†The postage for Canadian newspapers and periodicals sent to Australia is 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces to each separate address with a minimum prepayment of 2c."

Section 389. The following is to be substituted for this Section;

"Newspapers and periodicals, other than authorized daily newspapers mailed by the publisher to bona fide subscribers and newsdealers, may be sent to subscribers and newsdealers in the United States at the rate of 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces, or fraction of 4 ounces, to each separate address. Sample copies may also be sent to the United States at this rate. Transient newspapers and periodicals addressed to the United States are subject to the same rate of postage as when addressed to places in Canada."

Section 390. The following is to be substituted for the first paragraph of this Section;

"Copies of authorized daily newspapers may be mailed by the publisher in the post office at the place where they are published addressed to regular bona fide subscribers and newsdealers in the United States upon prepayment of postage in cash at the following rates,

(a) daily newspapers with a circulation of 10,000 or more copies per issue—2½c per pound on the reading portion and 4c per pound on the advertising portion,

(b) daily newspapers with a circulation of less than 10,000 copies per issue—2½c per pound."

(2) **Change in the Transient Rate of Postage on Newspapers and Periodicals.**—In future, copies of duly recognized Canadian, British and foreign newspapers and periodicals posted by the general public for delivery at places in Canada, United States or Mexico will be subject to postage at 1c for the first 2 ounces, 1c for the next 2 ounces and 1c for each additional 4 ounces or fraction of 4 ounces, to each separate address.

Canadian newspapers and periodicals may be sent at the same rate to places in Great Britain, the Commonwealth, France, Spain, North and South America. In the case of copies addressed to Australia, a minimum prepayment of 2c is required.

All other mailings of newspapers and periodicals by the general public are subject to postage at 2c for the first 2 ounces and 1c for each additional 2 ounces or fraction of 2 ounces, to each separate address.

In all cases the postage is to be prepaid by postage stamps or postage impressions affixed to each individual item.

(3) **Use of Form 67B.**—It has been reported that in some cases Postmasters are using Form 67B to notify mailers in instances where items of mail matter, prepaid at the third class rates of postage, prove undeliverable.

The use of Form 67B is restricted to second class mail prepaid at the second class rates of postage.

Postmasters will please see that all third class matter bearing a request for return in case of non-delivery is disposed of in accordance with Section 113 of the Canada Official Postal Guide.

(4) **New Air Mail Service—Sept Iles—Havre St. Pierre, A.M.S., C.A.M. 18.**—An air mail service has been inaugurated between Sept Iles and Havre St. Pierre, P.Q., to operate semi-weekly during the season of navigation with flights scheduled for Tuesday and Thursday.

Only first class mail and air Parcel Post will be conveyed over this air mail service. Other classes of mail are conveyed by surface transport at ordinary rates of postage.

(5) **Air Stage Service Churchill, Manitoba to Fort Severn, Ontario.**—An additional trip has been authorized from Churchill, Manitoba to Fort Severn, Ontario via York Factory, Manitoba, Shamattawa, Manitoba—all non-post office points.

The tentative date for this additional trip will be September 14, 1951.

(6) **Air Stage Service to Goldfields, Sask.**—As a result of a re-arrangement in mail service, effective June 22nd, the Goldfields, Sask. Post Office will be served on the Mackenzie River A.S.S. CAM 57, in place of the La Ronge-Northern Saskatchewan A.S.S. CAM 56. Therefore, mails for Goldfields are to be routed via Edmonton—not Prince Albert.

(7) **Similarity in Post Office Names.**—The District Post Office Inspector at St. John's, Nfld., reports that due to the similarity in the names of Post Offices at Freshwater, C.B., Nfld. and Freshwater, P.B., Nfld., a considerable amount of mail for one office is being missent to the other thus causing delay in delivery of the mails.

The Postmaster at Coatsworth Station, Ont., also reports that a considerable amount of mail intended for Chatsworth, Ont., is being missent to his office.

Care should be exercised in the sortation of mail to these points.

(8) **Dutiable Parcels.**—Before delivery is effected of any parcel or package originating in any country outside Canada, Postmasters and postal employees must first satisfy themselves as to whether or not it has been stamped by the Customs "DUTY FREE" or "DUTY PAID".

Cases have occurred in the past where the addressees after receiving delivery through the Post Office have presented parcels and other items of mail to the Customs to be inspected and to pay duty chargeable thereon.

Each and every parcel or package originally mailed outside of Canada which has not been stamped either "DUTY FREE" or "DUTY PAID" by the Customs MUST BE SUBMITTED WITHOUT FAIL TO THE CUSTOMS for examination BEFORE delivery is effected to the addressee.

Particular attention is to be given to parcels and packages originating outside of Canada received in Domestic mail bags.

(9) **Rates of postage from other countries to Canada.**—Postmasters are advised that the rate of postage on letters and postcards from the countries listed below are as follows:—

| Country | 1st weight | 2nd weight | Postcards |
|---|---|---|---|
| Morocco-French | 30 francs | 18 francs | 18 francs |
| Somaliland (Protectorate) | 25 cents | 20 cents | 20 cents |

The above is to be substituted for the corresponding entries in the list of rates of postage from the foreign countries commencing on page 85 of the 1947 (Reprint) edition of the Canada Official Postal Guide.

Surcharges should be collected according to Post Office markings.

(10) **Proper use of Yellow Labels on Special Gift Parcels to the United Kingdom.**—Information has been received that according to observations of the British customs authorities, the yellow label intended to be affixed only to gift parcels for delivery in Great Britain, the contents of which are restricted to food, discarded wearing apparel and soap is still being used on gift parcels containing other articles, thus rendering them subject to confiscation, as stated on the label.

The frequency of these irregularities which result in confiscation of the goods by the British authorities is causing them concern for the loss involved to the mailers and addressees.

Post Offices of mailing should therefore exercise the utmost vigilance to ensure that the yellow label is affixed only to parcels with contents restricted to food, discarded wearing apparel and soap, accepted at

the special rates to Great Britain. Mailers should on every possible occasion be reminded of the relative regulations, and cautioned to read the yellow label before affixing it to parcels.

**(11) Western Germany—Gift Parcels.**—The authorities of the Federal Republic of Germany have announced the following regulations applicable to gift parcels received in Western Germany from abroad:

I. Prohibited Articles

The articles listed below must not be enclosed in gift parcels:

1. Tobacco, tobacco products and cigarette papers.
2. Sweetenings.
3. Narcotics and noxious drugs.
4. Inflammable articles.
5. German and foreign instruments of payment, securities, etc.
6. Coffee, but a maximum of 1 lb. per month is permitted to each addressee, as shown below (III, 2).
7. Tea.
8. Spirits, wines.
9. Lobsters, caviar and crayfish.
10. Precious metals, their alloys and by-products. Articles for medical purposes are excepted.
11. Precious stones and pearls.
12. New clothing of fur, or partly of fur, if the value exceeds 800 German marks.
13. Carpets and floor coverings if their value exceeds 80 German marks per square metre.

15. Radio parts.
16. Photographic apparatus.
17. Perfumes and cosmetics if the value per cubic centimetre exceeds 1 German mark.
18. Articles not mentioned above, which are subject on Federal territory to a special tax.

The articles mentioned in 3, 4, 5, 8, 10 and 11 above are prohibited transmission by parcel post to any country, but are included here for record purposes.

II. Treatment of Prohibited or Restricted Articles Enclosed in Gift Parcels Contrary to the Regulations

1. The goods included in 1 to 4 above are confiscated.
2. Articles mentioned in 5 above are treated according to the German laws on currency.
3. Articles included in 6 to 18 above are subject to import duties.

III. Conditions of Duty Free Entry of Gift Parcels

In order to be admitted free of customs duty—

1. The goods must correspond, in nature and quantity, to the actual requirements of the addressee and the members of his household.
2. The net weight of foodstuffs per month for each addressee must not exceed 33 lb., or include more than
   (a) 1 lb. coffee.
   (b) 2 lb. powdered cocoa.
   (c) 2 lb. chocolate.
3. Parcels containing only goods subject to a weight limit are not admitted.
4. The total value of such articles must not exceed 2/3 of the value of the whole contents of the parcel. The foreign prices serve as a basis in fixing this value.

Interested mailers should be informed of these reguations of the German authorities and reminded that the weight limit of parcels sent to Germany is 20 lb.; the limit of value (without an export permit) is $25.00.

**(12) Finland—Gift Parcels.**—Reference is made to Notice No. 3 in Weekly Bulletin No. 1541 of 23rd September, 1950, on the above subject.

The regulations of the Administration of Finland have now been amended to permit each person resident in that country to receive from abroad free of customs duty each month one or more gift parcels with a total weight of 20 lb., and a maximum value of 5,000 Finnish marks.

The other conditions outlined in the notice referred to still apply.

Prospective mailers of parcels to Finland should be informed of these changes in the regulations.

# INFORMATION FOR POSTMASTERS

**(1) Yukon Parcel Post—Winter Service.**—During the winter season, approximately from October first to May thirty-first, parcel post to and from post offices in the Yukon will be suspended, except as follows:

Carcross and White Horse—Rates and Services the same as during Summer.

Teslin—Via Alaska Highway, M.V.S. 25 cents per pound or fraction of a pound (the year round).

Carmacks, Dawson, Fort Selkirk, Mayo Landing, Elsa, Stewart River and *Watson Lake—By air stage service at the rate of 30 cents for the first pound and 25 cents for each additional pound or fraction thereof. This special parcel post rate is also applicable to parcels for interior transmission in the Yukon between any two of these offices.

Parcels prepaid at ordinary (Summer) parcel post rates for offices in the Yukon, other than the above, may be addressed to White Horse, and the addressees may make their own arrangements with the transportation companies operating in the Yukon for conveyance from White Horse to destination.

Care must be taken to ensure that during the Winter season parcel post for the Yukon is accepted only at the rates, and within the limits specified above.

Postmasters will please give this the usual publicity.

*Air stage service and special parcel post rate in effect the year round to and from Watson Lake.

**(2) Wholly Unpaid or Insufficiently Prepaid Letters.**—In future, WHOLLY UNPAID letters posted in Canada for delivery in Canada (except those letters entitled to free transmission under the regulations governing the franking privilege as outlined on pages 48 and 49 of the 1947 Postal Guide) are NOT to be forwarded for delivery.

Instead, when wholly unpaid letters are received in future, an endeavour is to be made to communicate with the sender, if known, in order to obtain the necessary postage. If the sender is not known, or for any reason cannot be reached, the Postmaster will datestamp the unpaid letters and send them to the proper district Dead Letter Office for return to the senders.

INSUFFICIENTLY PREPAID letters, however, are to be taxed double the deficient postage and forwarded for delivery as at present.

There is no change in procedure as regards wholly unpaid letters posted in Canada, addressed FOR DELIVERY OUTSIDE OF CANADA. These are to be rated up double the deficient postage and forwarded for delivery in accordance with the present practice.

Postmasters will please amend their 1947 Postal Guide by substituting the following for Section 9, page 15:

"Section 9 (a) Wholly Unpaid Letters posted in Canada for delivery in Canada (except those entitled to free transmission—see pages 48 and 49 of the Postal Guide) are not to be forwarded for delivery. When such letters are received, an endeavour is to be made to communicate with the sender, if known, in order to obtain the necessary postage. If the sender is not known, or for any reason cannot be reached, such letters are to be datestamped and sent to the proper district Dead Letter Office for return to the sender.

Section 9 (b) Insufficiently Prepaid letters are to be forwarded for delivery taxed double the amount of the deficient postage to be collected on delivery. Thus, if a letter liable to 4¢ postage is posted prepaid only 1¢, it is to be stamped "Insufficiently Prepaid" and forwarded to its address subject to the collection of 6¢ on delivery.

The charge to be collected, not the amount of the deficiency, should be marked on the cover of an insufficiently prepaid letter. When the outstanding postage has been collected from the addressee, postage due stamps representing the amount collected are to be affixed to the letter and cancelled by the Postmaster".

**(3) Selling Price for Post Cards and Stamped Envelopes**—A a result of the increase in postage rates on third class matter, effective 2nd April, 1951, the following is the amended table of selling prices for post cards and stamped envelopes. Section 225 of the Postal Guide is to be amended accordingly.

Postmasters are reminded that the regulations require that any surplus resulting from the sale of stamped envelopes and post cards, singly or in small quantities, for revenue that is greater than the invoiced price on these items must be reported at Item 11 of the Cash Account. Opposite this entry in the Cash Account is to be added the note, "Surplus on sale of stamped stationery".

(4) **Similarity in Post Office Names.**—The Postmaster at Oil Springs, Ont., reports that a considerable amount of mail addressed for Cedar Springs, Ont. is being received at his office.

Cedar Springs Post Office, is served through Blenheim, Ont.

Care should be exercised in the sortation of mail for these points.

(5) **Western Germany—Gift Parcels.**—Reference is made to Notice No. 6 in Weekly Bulletin No. 1581 of 30th June, 1951, concerning regulations of the Federal Republic of Germany (British, United States and French Zones) governing the entry of gift parcels.

It will be observed that although certain articles such as tea, included in nos. 6-18, are listed as prohibited, the only penalty imposed is the collection of import duty in Germany.

It will, however, be noted that the articles listed in 3, 4, 5, 8, 10 and 11 as prohibited by the German authorities, are also prohibited by our regulations and consequently cannot be accepted for transmission by mail to any destination.

The above is intended merely to clarify the matter as it is apparent that some doubt exists as to the meaning of the regulations in question.

(6) **Grenada—Prohibition of Use of Obsolete Stamps.**—Information has been received from the Postal Administration of Grenada that as from the 1st day of August, 1951, the use of the following issues of stamps shall be invalid for postal purposes:—

(a) All stamps issued during the Reign of His Late Majesty King George V.

(b) The Coronation commemorative issue of May, 1937: and

(c) The Peace commemorative issue of September, 1946.

Articles bearing stamps of any of the above issues should be taxed in the usual way and the deficiency collected from the addressess.

(7) **Paraguay—Import Permits Required.**—Information has been received from the Postal Administration of Paraguay to the effect that letter packets or parcels containing merchandise, however small the value, will not be delivered unless accompanied by a permit issued to the sender by the Exchange Control Board of Paraguay.

# INFORMATION FOR POSTMASTERS

**(1) Rate of Postage on mutilated and worn Bank of Canada or Dominion of Canada Notes sent to the Bank of Canada or its Agencies.**—On and after September 1st, 1951, packages of mutilated and worn bank bills sent by banks to Agencies of the Bank of Canada OUTSIDE OF OTTAWA will be subject to prepayment of postage at the money packet rate of 7c. for the first ounce and 5c. for each additional ounce, plus a registration fee of 20c.

The special arrangement whereby mutilated and worn notes may be accepted from banks for mailing to the Currency Division of the Bank of Canada AT OTTAWA, without prepayment of postage and registration fee, will remain in effect.

Postmasters are requested to amend their copies of the Canada Official Postal Guide (Part 1) as follows:

Section 3, Page 13, delete—

"Packages of mutilated and worn Bank of Canada or Dominion of Canada notes sent by post from banks or branches of banks to the Bank of Canada, at Ottawa, or to its agencies at Vancouver, Calgary, Winnipeg, Toronto, Montreal, Saint John, Halifax and Charlottetown".

Page 204—the word "non-negotiable" should be substituted for the word "mutilated" in the entry. "Bank notes cancelled (mutilated)....."

**(2) Premium Coupons not acceptable for Insurance.**—Claims for indemnity are being received in cases of loss of parcels containing merchandise premium coupons sent by dealers to manufacturers for redemption.

Premium coupons of negotiable value are considered as coming within the provisions of section 148(a) of the Postal Guide and are not therefore acceptable for parcel post insurance.

If protection is desired for these mailings, the senders should be advised to prepay postage at letter rates and register them.

**(3) Parcels Prepaid at Parcel Post Rates Not Forwarded to Telegraph Creek, B.C. during the Season of Closed Navigation.**—Postmasters are reminded that during the season of closed navigation, which extends approximately from the 1st October to the 1st April, the weight of mail carried on this route is limited.

In the circumstances, persons tendering parcels for mailing prepaid at parcel post rates for Telegraph Creek, should be advised that the parcels will be held at Vancouver during the season of closed navigation.

**(4) Similarity in Post Office Names.**—The Postmaster, Queenstown, Alberta, reports that a considerable amount of mail is being received at his office intended for Queenston, Ontario.

It is also reported that mail addressed for delivery at Lahieville, Alberta, is frequently being received at Leslieville, Alberta.

Care should be exercised in the sortation of mail for these offices.

Care should also be exercised in the sortation of mail for the following points:

Meleb, Manitoba and Maleb, Alberta;
Larson, Ontario, Garson, Manitoba and Garson, Ontario.

**(5) Model Dater Year Bands.**—The Purchasing and Stationery Division requests that those concerned carefully examine their model dater to find out if the year "1952" appears on the bands, and if not, the dater should immediately be forwarded to the Superintendent, Purchasing and Stationery Division, Ottawa, so that new bands may be placed thereon.

†Parcel post service suspended during winter.

The ordinary (surface) rates of postage apply to all classes of mail conveyed to and from other Post Offices in Canada served by air stage service not included in the foregoing list.

(7) **Netherlands—Use of Green Customs Label on Letter Packets.**—The Postal Administration of the Netherlands reports the receipt of letter packages from abroad without the necessary green label No. 185.

Mailers should therefore be reminded that the green label, properly completed, must be affixed to letter packages, containing dutiable articles, addressed to the Netherlands (and other countries which admit them) in order to comply with their regulations.

Failure to affix this label will at the least result in delay in delivery and may entail serious difficulty for the addressee.

(8) **Parcels Addressed to Members of Armed Forces in Korea Should Be Carefully Packed and Wrapped.**—A report has been received to the effect that parcels addressed to members of the Canadian armed forces in Korea are being received in that country in damaged condition due to the fact that flimsy packing and wrapping material is being used on the parcels.

A great number of parcels of all shapes and sizes are being mailed to troops overseas and senders should bear in mind that considerable handling is necessarily involved in connection with the sorting, bagging and shipping of the parcels. Therefore, it is essential that if the parcels are to be delivered in good condition, care must be taken to see that they are carefully and securely packed to enable them to withstand handling in the mails. The following form of packing is recommended:—

> Strong double cardboard boxes, preferably those made of corrugated cardboard, and having lids which completely enclose the sides of the box.

Several layers of heavy wrapping paper and strong twine should also be used in wrapping the parcels.

Only non-perishable foodstuffs should be sent. Further, honey, jams and similar semi-liquids must be packed in tins with lids and joints well soldered down and surrounded by sufficient absorbent material to prevent escape of the contents in case the containers are broken; anything likely to become soft or sticky such as chocolates or sweets, must be packed in tins with well-fitting lids.

Postmasters are requested to give the above notice all publicity possible.

## MONEY ORDER INFORMATION FOR ACCOUNTING OFFICES

### VALIDATION OF LAPSED MONEY ORDERS

Money Orders and Postal Notes must not be cashed after one year from the last day of the month of issue until they have been validated.

Such Orders and Notes are to be forwarded to the Director of Financial Services, Post Office Department, Ottawa, Ontario.

If the amount has not been paid, the Orders or Notes will be validated by affixing the impression of the stamp "Validated" on the reverse of the Orders or Notes, which will be despatched to the applicant to be presented for payment.

A fee of 10 cents for each Order or Note is to be collected by the Postmaster before effecting payment. This fee is to be accounted for by means of Postal Scrip which is to be affixed on the reverse of the Order or Note, and cancelled by means of the Post Office Date Stamp.

These instructions appear in F. B. Directive No. 25 of the 24th December, 1949, and should be strictly observed.

### WARNING NOTICE—COUNTERFEIT UNITED STATES NEW CARD MONEY ORDER

Information has been received that counterfeit United States new card money order forms have been presented for payment. The printing matter appearing on the counterfeit orders bears a marked resemblance to that on the genuine orders, but they are printed on dark green card stock without any effort to simulate the light blue color of genuine orders which have a distinctive waved-line protective background on which the seal of the Department is shown in two or more places.

The counterfeits which were cashed bear an impression of the Covington, Ky., M.O.B. stamp, dated July 2, 1951, serial No. 4-356,160, amount $100.00. The remitter is shown as Mrs. J. L. Hower and the payee, Mrs. Jane L. Nieman.

Postmasters are cautioned to examine carefully any United States new card money orders presented for payment, and if there is any reason to suspect that the orders are not genuine, payment should be declined and the matter reported to The District Post Office Inspector.

# INFORMATION FOR POSTMASTERS

(1) **New Post Office at Lynn Lake, Manitoba, Served via Sherridon–Lynn Lake—A.S.S. (C.A.M. 51).**—A new post office has been established at Lynn Lake, Manitoba, to be served by the Sherridon–Lynn Lake Air Stage Service on a schedule of two round trips per week.

**(2) Despatch of Mail for the North Shore of the River and Gulf of St. Lawrence, Winter Season, 1951-52.**—During the winter season effective from the 1st December, 1951, all classes of mail for the following post offices should be forwarded on Quebec for despatch.

OFFICES ON THE NORTH SHORE OF THE RIVER AND GULF OF ST. LAWRENCE

| | |
|---|---|
| Franquelin | Mingan |
| Godbout | Havre St-Pierre |
| Baie de la Trinite | Baie Johan Beetz |
| Ilets Caribou | Aguanish |
| Pointe aux Anglais | Ile Michon |
| Riviere Pentecote | Natashquan |
| Shelter Bay | Kegaska |
| Gallix | Gethsemani |
| Clarke City | Harrington Harbour |
| Canton Arnaud | Tete a la Baleine |
| Sept Iles | La Tabatiere |
| Moisie | St. Augustin, Saguenay |
| Sheldrake | Shekatika Bay |
| La Chaloupe | Old Fort Bay |
| Riviere au Tonnerre | Bonne Esperance |
| Dock | Bradore Bay |
| Magpie | Lourdes du Blanc Sablon |
| Riviere St-Jean | Blanc Sablon |
| Longue Pointe de Mingan | |

**(3) Similarity in Post Office Names.**—The Postmaster at St. Joseph de Beauce, P.Q., reports that he is frequently receiving mail intended for other offices with the name St. Joseph included in the address.

As there are several post offices with this name, particular care should be exercised in the sortation of mail to these places.

The Postmaster at Butte, Alberta, also reports that a considerable amount of mail is being received at his office addressed to Picture Butte, Alberta.

Care should be exercised in the sortation of mail for these places.

Care should also be exercised in the sortation of mail for the following post offices:—

Burton, B.C. and Beaton, B.C.
Keremeos, Kemano and Kemano Bay, B.C.

Mail for Kemano, B.C., Kemano Bay, B.C., Kildala, B.C., and Kitimat, B.C. should be forwarded via Vancouver.

**(4) Special Delivery Form S.D. 4.**—Special Delivery letters are being delayed by DESPATCHING OFFICES failing to use special delivery form S.D. 4.

The sole object of form S.D. 4 is to enable the POST OFFICE OF DELIVERY to "spot" letter packages containing special delivery items immediately a bag is opened and dumped.

The proper procedure to be followed is:—

(a) Special Delivery letters are to be placed on top of an appropriate back-slipped letter package and form S.D. 4 wrapped around the entire package;

(b) A letter plainly addressed to the POST OFFICE OF DELIVERY—with the address turned to the outside—is to be placed on top of form S.D. 4, thereby leaving three sides of the yellow and red wrapper prominently displayed so that packages containing Special Delivery items may be readily identified as soon as the bag is emptied.

**(5) Proper Completion of Acknowledgment of Receipt Cards.**—It has been learned that Acknowledgment of Receipt Cards (Form 39B) accompanying registered letters to other countries are sometimes improperly completed by the mailers in Canada, with resulting inconvenience to the receiving offices abroad.

When necessary, it should therefore be explained to mailers of such articles that the left-hand side of the face of these A.R. cards should bear as indicated, the address to which the registered letter is sent. The right-hand side of the card is for the mailer's name and address, that is the address to which the A.R. card is to be returned.

The back of the cards is for completion by the addressee and the Post Office of delivery.

**(6) Mail for Armed Forces in Europe.**—Postmasters are informed that the postal address for personnel of the 27th Canadian Infantry Brigade Group, including advance parties, on leaving Canada for Europe, will be:

Number
Rank Name.
Unit
CAPO 5050
c/o Postmaster,
Montreal, P.Q.

It should be specially noted that, in order to ensure prompt delivery of mail overseas, the above form of address only should be used, with particular attention being given to the inclusion of the unit name. Abbreviations should not be used.

The rates of postage and conditions now applicable to mails from Canada to the United Kingdom will apply to mails sent to the address shown above. Customs declarations must be completed and affixed to every parcel.

(7) **Mail for H.M.C. Ships on Cruise.**—Postmasters' attention is specially drawn to recent notices appearing in Post Office Weekly Bulletins concerning the correct prepayment of mail to personnel on board H.M.C. ships on cruise.

NORMAL surface and air mail rates of postage to the country of port of call are applicable for all such mail except that the 10c. Canada Air Letter form is to be accepted for onward transmission regardless of destination.

It should be suggested to prospective mailers that the 10c. Canada Air Letter provides the cheapest method of air transmission for such mail.

(8) **Air Mail to and from H.M.C. Ships on Cruise.**—It has been reported that in certain cases Postmasters are erroneously advising prospective mailers that the special Armed Forces postage rates detailed in Post Office Weekly Bulletin of June 2nd, 1951, also apply to mail for personnel aboard H.M.C. Ships on cruise.

Postmasters are specially reminded that NORMAL postage rates including the air mail rate to the United Kingdom and Europe of 15c. per quarter ounce or fraction thereof apply to all "Cruise mail" for H.M.C.S. "Magnificent" and "Micmac" while on their present cruise except that as stated in notice no. 7 above, the 10c. Canada Air Letter Form to or from H.M.C. Ships on cruise regardless of destination is to be accepted as fully prepaid and forwarded to destination without the collection of additional postage.

(9) **Rates of Postage on Letters and Postcards from Other Countries to Canada.**—The rates of postage on letters and postcards from the country listed below are as follows:—

| Country | 1st Weight | 2nd Weight | Postcards |
|---|---|---|---|
| Leeward Islands..... | 2½ pence | 1½ pence | 1½ pence |

The above is substituted for the corresponding entry in the list of rates of postage from foreign countries, commencing on page 85 of the 1947 (Reprint) edition of the Canada Official Guide.

Surcharges should be collected according to Post Office markings.

(10) **Paraguay—Import Permits.**—The first paragraph of the notice published in the Weekly Bulletin of 18th August under the above heading should be amended to read ". . . . letter packets or parcels containing merchandise, however small the value, will not be delivered without an import permit issued by the Exchange Control authorities of Paraguay."

Mailers should, therefore, make certain that the addressees in Paraguay have the necessary import permits before mailing parcels to that country.

(11) **France—Parcel Post Insurance.**—Parcels for France prepaid for transmission via the United Kingdom may be accepted for insurance.

Gift parcels may be insured.

(12) **Hungary—Gift Parcels.**—According to information received from the authorities in Hungary, the Customs duty on gift parcels mailed to that country after 1st October, 1951, will be 50 cents per pound instead of 30 cents per pound, if not paid prior to mailing.

Interested mailers should be informed of this regulation of the Hungarian Administration, merely for their information, as responsibility for prepayment of duty rests entirely with the senders, and the Post Office is not involved.

(13) **Western Germany—Gift Parcels.**—Information has been received from the Postal Administration of the German Federal Republic (British, United States and French zones) that the combined weight of the articles mentioned in notice no. 11 in the August supplement, under 111 (2) (a), (b) and (c), that is coffee, powdered cocoa and chocolate, must be less than the total weight of the other articles enclosed in gift parcels. The regulations outlined in both these notices also apply to parcels for the British, French and United States sectors of Berlin.

Whenever possible interested mailers should be informed of this regulation of the German authorities.

# INFORMATION FOR POSTMASTERS

**(1) Air Stage Service Prince Rupert-Aiyansh, B.C.**—A monthly air stage service was inaugurated between Prince Rupert and Aiyansh, B.C., on the 19th November and subsequently regular trips will be performed on or about the 19th of each succeeding month during the winter season.

The rates of postage applicable to mail conveyed over this route will be as follows:—

First, Second and Third Class Matter.....Ordinary Rates.

Parcel Post..... 30c. for the first pound and 25c. for each additional pound or fraction thereof.

**(2) Charlottetown-Magdalen Islands Winter Air Stage Service.**—Postmasters are reminded that with the closing of navigation (about December 15) the ordinary SURFACE mail service to the Magdalen Islands will be discontinued.

In the circumstances second, third and fourth class matter mailed too late to connect with the last sailing to the Magdalen Islands will be liable to the following air stage rates of postage.

Second class matter..... When mailed by the public, 2c. for the first 4 oz. and 1c. for each additional 4 oz. or fraction of 4 oz., to each separate address.
When mailed from office of publication or from newsdealers to subscribers, 4c. per lb.

Third class matter..... Ordinary letter rate or the air parcel rate (see below) at the option of the sender.

Parcel Post..... 15c. per lb. or fraction of 1 lb. up to and including 10 lb.
$1.80 per parcel over 10 lb. up to and including 15 lb.
$2.40 per parcel over 15 lb. up to and including 20 lb.
$3.00 per parcel over 20 lb. up to and including 25 lb.

**(3) Letter Carrier Delivery Service Established at Corner Brook, Nfld., and Grand'Mere, P.Q.**—A letter carrier delivery service has been established at Corner Brook, Nfld., and Grand'Mere, P.Q., and the names of these post offices should be added in alphabetical order to the list in Section 11, Page 15 of the Postal Guide at which points letters and parcels prepaid for special delivery may be delivered by special messenger. (See also Section 123 of the Postal Guide regarding special delivery of parcels.)

**(4) Changing of Date Stamp.**—The attention of Postmasters is directed to the necessity of changing their office date-stamp at the beginning of the new calendar year to read "1952".

**(5) Calendars.—To be Carefully Handled.**—At this time of the year business firms are preparing to mail quantities of calendars to clients and prospective customers throughout the country. The calendars are, in many cases, printed at considerable expense and are valuable not only to the recipient but to the business firm as an advertising medium.

It is important, therefore, that the calendars should be delivered carefully and Postmasters are requested to exercise care in the handling of these items during the course of post.

In the event of delivery not being effected and the calendar bears a return address on the cover, the calendar should be returned to the sender.

**(6) Similarity in Post Office Names.**—The Postmaster at Cedar Springs, Ontario, reports that mail is being received at his office addressed to Cedar Springs, via Burlington.

There is a non-post office point called Cedar Springs in the vicinity of Burlington, Ontario. This place is served through the Kilbride, Ontario, post office.

Care should be exercised in the sortation of mail for these places.

Care should also be exercised in the sortation of mail for the following places:—

Glace Bay, Nova Scotia and Goose Bay, Labrador;

Langdon, Alberta, and Langton, Ontario.

**(7) Reason for Non-Delivery to be Indicated.**—A complaint has been received to the effect that large quantities of undelivered circulars are being returned to the senders without being marked as to the reason for return.

Postmasters are reminded that the reason for non-delivery of every letter or other article of mail must be stamped or written on the address side thereof before it is returned to the sender.

At the same time the letter or other article should be stamped with a legible impression of the office date stamp showing the date of return.

**(8) Roman Numerals in Dating Stamps.**—At Post Offices where Roman numerals are used in the dating stamp to indicate the month, the greatest care must be exercised to ensure that the "IX" type for September and "XI" type for November are neither transposed nor inserted upside down.

BE SURE THAT AT ALL TIMES DURING NOVEMBER THE "XI" TYPE IS PROPERLY USED.

(9) **Parcels Originating Outside Canada Must Be Submitted to Customs.**—Unless a parcel or package, or any other piece of mail suspected of containing dutiable matter, has been stamped by the CUSTOMS either "DUTY FREE" or "DUTY PAID", it MUST NOT BE DELIVERED BUT MUST FIRST BE SUBMITTED TO THE CUSTOMS FOR INSPECTION.

All Postmasters and postal employees are requested to be on the alert to see that DELIVERY IS NOT EFFECTED of any parcel or package, or other item of mail suspected of containing dutiable matter BEFORE IT HAS BEEN PLACED BEFORE THE CUSTOMS FOR INSPECTION.

(10) **Apples and Other Fresh Fruits Prohibited in Parcel Post Shipments to Countries Other than United States.**—The Dominion Department of Agriculture, Ottawa, request that attention should again be drawn to the fact that the export of apples by parcel post to countries other than United States is still prohibited. This is in accordance with the regulations pertaining to Apple Maggot and for the reason that apples, like other fresh fruits, also prohibited transmission to other countries by parcel post, would decompose in transit.

Parcels containing fresh fruits including apples should therefore not be accepted for transmission by mail to countries other than the United States.

Prospective mailers should be advised accordingly.

(11) **Rates of Postage from Other Countries to Canada.**—Postmasters are advised that the rates of postage on letters and postcards from the countries listed below are as follows:—

| Country | 1st Weight | 2nd Weight | Postcards |
|---|---|---|---|
| Austria | 2·40 schillings | 1·45 schillings | 1·45 schillings |
| China— | | | |
| (b) Formosa | 1·40 dollars | 80 cents | 80 cents |
| Italy | 60 lira | 35 lira | 35 lira |
| Korea | 200 wons | 80 wons | 80 wons |
| Norway | 55 ore | 30 ore | 30 ore |
| Portuguese African Colonies | 2·30 escudos | 1·40 escudos | 1·40 escudos |
| Portuguese India | 4 tolas 6 reis | 3 tolas | 3 tolas |

The above is to be substituted for the corresponding entries in the list of rates of postage from foreign countries, commencing on page 85 of the 1947 (Reprint) edition of the Canada Official Postal Guide.

Surcharges should be collected according to Post Office markings.

(12) **Increase in Parcel Post Rates to the United Kingdom.**—Advice has been received from the United Kingdom Postal Administration that the reduced charges for gift food parcels from Canada to the United Kingdom have been withdrawn, and furthermore that their land handling charges on all parcels have been increased.

The special rates on gift food parcels were originally introduced to give concessions to Commonwealth mailers similar to those enjoyed by the American public because of the Economic Co-operation Agreement. It is stated that with the suspension of E.C.A. to Great Britain, the basic reason for the special gift parcel reduction no longer exists.

A further reason for this action given by the British Postal Administration for the increase in their normal terminal charges is that they result solely from increased costs—wages, salaries, transport and so on. It is stated that their terminal charges have, for some time, been well below actual costs and, in view of the present financial position, an increase could no longer be delayed.

In informing Canada of the increases, the United Kingdom government expressed their gratitude for the benefits received by the people of the United Kingdom as a result of the concessions made by the Canadian postal authorities on gift parcel charges.

Coupled with this are the higher costs of handling in Canada, and the increased charges for trans-Atlantic sea conveyance which necessitate an increase effective January 1st, 1952, in the parcel post rates from Canada to the United Kingdom.

Further information as regards the new parcel post rates and relative particulars will be published sufficiently in advance of the effective date.

It should be specially noted that the present parcel post rates for gift and regular parcels from Canada to the United Kingdom remain in effect until January 1st, 1952.

(13) **Specially Reduced Postage Rates to Occupational Force in Europe.—Parcel Post.**—Parcels for the Canadian Force which is to perform occupational duty in Europe may be sent at the special concessionary rate of 15c. per pound, or fraction thereof, up to a weight limit of 10 pounds, as follows:—

| | | |
|---|---|---|
| 1 lb.....15c. | 4 lb.....60c. | 7 lb.....$1.05 |
| 2 lb.....30c. | 5 lb.....75c. | 8 lb..... 1.20 |
| 3 lb.....45c. | 6 lb.....90c. | 9 lb..... 1.35 |
| | | 10 lb..... 1.50 |

In order to obtain this reduced rate, these parcels for C.A.P.O. 5050, or 5051, must be addressed as follows:—

Number
Rank Name
Unit
C.A.P.O. 5050 (or 5051),
c/o Postmaster,
Montreal, P.Q.

Customs declarations must be completed and affixed to every parcel.
No parcel prepaid at this rate, which weighs over 10 pounds, can be sent.
Parcels for overseas troops are not to be insured.
Postmasters should give the above all possible publicity.

**(14) Special "Forces Letter" for Air Transmission To and From the Armed Forces Overseas, Effective 1st December, 1951.**—A special "Forces Letter" for air transmission similar in form to the Canada Air Letter, but buff in colour, which was introduced on December 1st, may be used to and from Canadian Armed Forces, outside of Canada, wherever they may be located.

These forms, to which a 5c. postage stamp must be affixed by the mailers, are supplied free on request at any Post Office. When the forms are handed out mailers should be asked if they desire the 5c. stamps required for transmission. If more than two or three forms are requested at one time, it may be suggested to the mailer that he purchase a corresponding number of 5c. stamps. This is to avoid possible wastage.

Mailers should be specially informed that, in order to be accepted at the reduced rate of 5c. each, the address of the "Forces Letter" must include the following details:

Number
Rank Name
Unit
C.A.P.O. No.....
c/o Postmaster,
Montreal, P.Q. (or Vancouver, B.C.)

Enclosures are not permitted in "Forces Letters" and they cannot be sent by registered mail.
Postmasters should make requisition from their usual source of supply for the forms they require.

**(15) Newspapers and Periodicals for the Canadian Armed Forces Serving Abroad.**—The postage rates on newspapers and periodicals mailed to members of the Canadian Armed Forces serving outside of Canada is now 2c. for the first 4 ounces, and 1c. for each additional 4 ounces or fraction thereof.

Interested mailers should be advised accordingly.

**(16) Gift Parcels for the Armed Forces—Export Permits.**—According to information received from the Export Permit authorities, export permits are not required for parcels addressed to members of Canadian and Allied Armed Forces serving abroad, if directed to a recognized military address.

Gift parcels sent to forces personnel at civilian addresses will, however, be subject to the regulations governing civilian parcels, that is, they must be accompanied by an export permit if the value exceeds $25.00.

All concerned should take due note of the above, and inform interested mailers whenever possible.

**(17) Colombia—Regulations Governing the Entry of Books and Periodicals.**—The authorities in Colombia have announced the following regulations governing the entry of commercial and other consignments of books and periodicals to that country.

1. Such mailings are to be accompanied by a commercial invoice duly certified by the exporter.
2. When the invoice covers registered articles it shall bear the registration number, the number of packages, the number of books or periodicals in each package and the weight of the shipment.
3. The commercial invoice covering ordinary (unregistered) articles shall bear an indication of the number of packages. This information shall also appear on the respective labels.
4. Whether sent by ordinary or registered mail the commercial invoice covering the printed matter in question shall bear an indication of the value in dollars or in the currency agreed upon by the exporters and importers.
5. One copy of the commercial invoice is to be sent direct to La Seccion Internacional—Ministerio de Correos y Telegrafos—Bogota Colombia.

In case of non-compliance with these conditions the articles are not delivered but are returned to origin after 30 days.

Mailers should, whenever possible, be informed accordingly.

**(18) Hungary—Gift Parcels.**—Information has been received from the Postal Administration of Hungary that food in soldered tin cans, or other hermetically sealed containers, is prohibited entry to that country in gift parcels.

Prospective mailers should be informed whenever possible.

**(19) Roumania—Parcel Post.**—Information has been received that the following restrictions apply to parcels addressed to Roumania:

Only one parcel, containing articles for personal use, per month may be received by any addressee.

No parcel may contain any articles in hand-soldered tin cans.

Parcels admitted without import permit may contain only clothing, food and medicines, not exceeding $20.00 in value, and the quantities of certain articles in these categories are restricted. Particulars of permitted quantities may be obtained by interested mailers from the Chief, Foreign Tariffs, Department of Trade and Commerce, Ottawa.
